**Paint
Has Saved It
From Ruin**

Without paint protection during its seventy years of service it would have gone to ruin long ago. The surface coating of paint has borne the wear of rain, storm, sun and wind—no chance for decay or rot. Every board and timber will be sound and strong, as long as it is kept well painted.

Lincoln House Paint

gives the best and most lasting protection. It will cover more surface per gallon and wear longer than ordinary paint.

Let us estimate the amount you will require and show you color combinations suitable for your house, whether you buy or not.

Crabtree-Bunch.

Alice Crabtree and Mr. Everett were quietly married Saturday afternoon, June the twelfth, at five o'clock at the home of Reverend Hugh Hallan of San Antonio. Misses Mary and Jennie Mae Dowdy, attendants of the bride. Only a few intimate friends of the bride and groom were present.

Mr. Crabtree is well known among the people of Hondo, having spent his whole life here. Mr. Bunch was recently discharged from the

Base Hospital of Fort Sam Houston, having been wounded in France.

Immediately after the ceremony Mr. and Mrs. Bunch left for the Ozark Mountains where Mr. Bunch will recuperate his strength for the next three months prior to entering a vocational training school in September. The Anvil Herald and the many friends of the happy couple wish them much joy and a long and prosperous married life.

Rollins-Chancey.

"Silver Toned Wedding Bells" rang in Hondo last Saturday evening when Miss Bessie Mae Chancey became the bride of Mr. John Wesley Rollins, the ceremony that made this happy twain one being conducted at the home of the bride's parents, Mr. and Mrs. M. A. Chancey, at 6:00 p. m., Rev. J. M. Alexander officiating.

The bride is a native Hondo girl, she having been born and grew to lovely young womanhood here. She is universally esteemed by all our people and carries with her to her new home the best wishes of all our people for a long and happy married life.

The groom, while known to but few of our people, is held in great esteem by those who have the pleasure of his acquaintance, and all offer congratulations to him on the lovely helpmeet who has plighted her troth for the journey down life's pathway. Mr. Rollins was a lieutenant during the late war, and it was during his service that he met the lady who was to become the guardian angel of his life. The only discordant note of this wedding is caused by the fact that it has carried one of our popular girls to another part of the state to make her home.

Immediately after the ceremony the newly married couple boarded the east bound train for Greenville, Texas, where they will make their home. That the choicest blessings of life may abide with them is the wish of all the people of Hondo.

Public Speaking.

A joint debate between Hon. H. P. Hornby of Uvalde, in the interest of Pat Neff, and Judge W. C. Moore of Hondo in the interest of Mr. Thomason of El Paso, will be held at the court house next Thursday night, June 24th. Mr. Hornby has several cogent reasons why Mr. Neff should be elected governor, while Judge Moore will advance reasons why his candidate, Mr. Thomason, should be elected the chief executive of the state. Everyone, especially the ladies, is invited to be present and hear the debate. Mr. Hornby will open and close the debate.

LUMBER PRICES REDUCED.

Since we can buy Lumber more cheaply we in turn are passing the benefit of this reduction along to you who are our customers. There will be cases where we are going to sell you at retail at prices which will be lower than we ourselves paid wholesale six weeks ago, but of course this is our loss and you are entitled to buy your Lumber today on the present cost of replacement.

This mill reduction in prices is the result largely of the stringent freight embargo on all shipments East and also the tightening up of bank credits. While we cannot guarantee that prices will not go lower it is our firm belief that these causes are but temporary, and with the certainty of advancing freight rates effective this fall, and the actual shortage of homes and other housing facilities facing the entire country, we do not see how Lumber prices can be held at the present low level for long.

Whenever you are in need we trust you will call on us and get our latest prices.

OH, DEAR! MY BACK!

Merciful Heavens, how my back hurts in the morning! It's all

due to an over-abundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking

"Anuric" (anti-uric-acid). This can be obtained at almost any drug store, in tablet form.

When your kidneys get sluggish and clog, you suffer from back-ache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, get Dr. Pierce's Anuric, it will put new life into your kidneys and your entire system. Send Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., ten cents for trial package.

STROUD, OKLA.—"I suffered for a year with kidney trouble. I saw Dr. Pierce's advertisement and wrote for a trial package of 'Anuric.' It helped me so I went to the drug store and bought a supply of Dr. Pierce's medicine. The 'Golden Medical Discovery' and the 'Pleasant Pellets' cured me of bowel trouble, and the 'Anuric' of the kidney trouble and rheumatism. I am cured—can do my work and it does not hurt me at all."—MRS. MARY JANE FISHER, Route 5.

Bottled Manpower

Coughs and colds are weakening. Get rid of them as quickly as you can. Catarrh in any form saps the vitality. Fight it and fight it hard. There is a remedy to help you do it—a medicine of forty-seven years' established merit. Try it.

PE-RU-NA

For Catarrh and Colossal Conditions

It purifies the blood, regulates the digestion, aids elimination, tones up the nerve centers and carries health to all the mucous linings. For the relief of these pains in stomach and bowels, belching, sour stomach, rheumatism, pains in the back, sides and loins, PE-RU-NA is recommended.

PE-RU-NA restores to healthy action the vital organs which are so intimately related to the strength and vigor of the nation.

There are fourteen ounces of health giving punch and pep in every bottle. PE-RU-NA is a good medicine to have in the house, ready-to-take for emergencies. It is a good remedy to use any time.

Booze Is Not a Good Cure

(From the Ames Iowa Intelligencer.)

When a man comes to you all doubled up with pain and declares he will die in your presence unless you procure him a drink of whiskey, send him to a doctor or else give him a dose of Chamberlain's Colic and Diarrhoea Remedy. There is a mistaken notion among a whole lot of people that booze is the best remedy for colic and stomach ache.

That Shallow Oil Well.

Considerable excitement was caused by a report in Monday's Express that a "flowing oil well" had been struck here. The facts in regard to this well, as far as the writer can learn, are these: E. T. Peters and John Heinen have been drilling an artesian water well for Elvius Hicks on his place two miles west of town. They are now down 700 feet. Last week after passing through some sand they discovered oil on top of water bailed out of the well. Mr. Chas. Beasley, head driller for the Rex Co., and an old driller, was invited out to see the well. He told this writer that he examined this sand and made careful tests, which convinced him that a five-barrel oil well could be brought in at that depth if the exact location of the sand could be found and the well plugged-and screened in at that point.—Bandera New Era.

Lacoste Ledger Laconics.

Eugene Bohl and son, Eugene, Jr., from Devine were here on business one day last week.

J. L. Meehler from Duncan, Oklahoma, came home the latter part of last week to get his family. They left here Thursday via automobile for Duncan, Okla.

Mr. and Mrs. Geo. Christilles and Misses Agnes and Marie Christilles, Mr. and Mrs. Joe Mueller and Paul Echtle and children spent Sunday with relatives at Devine.

Mesdames Henry Mangold and Henry Biediger had a fare-well party at Mrs. Biediger's home Wednesday evening for J. L. Meehler and family, who left here Thursday for Okla.

Cut This Out and Take It With You.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite a long while I suffered with stomach trouble. I would have pains and a heavy feeling after my meals, a most disagreeable taste in my mouth. If I ate anything with butter, oil or grease, I would spit it up. I began to have regular sick headache. I had used pills and tablets, but after a course of these, I would be constipated. It just seemed to tear my stomach all up. I found they were no good at all for my trouble. I heard

INDIGESTION

If you are ever troubled with indigestion, Chamberlain's Tablets will do you good. They strengthen the stomach and enable it to perform its functions naturally. There are hundreds of people who have been restored to health and happiness by the use of Chamberlain's Tablets. When you feel dull and languid after eating you may know that your digestion is faulty, unless you have eaten more than you should. Belching, sour stomach, bloating are symptoms of indigestion and are relieved by taking Chamberlain's Tablets as directed. Indigestion is usually accompanied by constipation and is aggravated by it. Chamberlain's Tablets cause a gentle movement of the bowels, relieving the stipated condition. Chamberlain's Tablets are also most excellent for flatulency. Sold everywhere at 25c.

Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that they may be relieved by applying Chamberlain's Salve as soon as the child is done nursing. Wipe off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results.

MADE BY SCOTT & BOWNE MAKERS OF SCOTT'S EMULSION

The Story of Milk.

This book, by Johan D. Fredericksen, deals with the production and characteristics of milk, its composition and use, beginning with the milking of the cow and ending with milk cookery. The handling of milk for city supply the action of ferments and bacteria and their control, the pasteurization of milk, and the making of butter, cheese, ice-cream and condensed milk, are some of the topics presented. There are also chapters on the feeding of milk to infants and children, the food value of milk and milk cookery.

The author, who is well qualified by practical experience and training to write on this subject, brings the latest results of the best technical knowledge within the easy reach of the ordinarily intelligent student of home economics and the daily worker as well as the expert. His volume fills a long-felt want for a comprehensive, concise handbook on the use and handling of milk. It should be of timely and helpful use to those of our readers especially who are producing milk for the creamery. It will profit any one who is interested—and who is not?—in the production and handling of milk whether in a commercial way or simply for family use.

It is a handy illustrated volume of 188 pages and can be had for \$1.50 from the publishers, The Macmillan Company, New York.

Mr. Joe Zuercher, age 78 years 8 months, died at the home of Mr. and Mrs. Jack Mills, last Sunday June 6, 1920 at 11:30 p. m. While the passing of this old man was not unexpected as he had long been in failing health, nevertheless his death caused profound sorrow.

Deceased was born in Alsace, Germany, and came to this country with his parents when a child, settled in Medina County and spent his entire life in this vicinity.

The funeral services were held by Rev. F. Mass, Monday at 10:30 a. m. After a Mass of Requiem the body was carried to its final resting place in the family lot and was buried beside his wife who preceded him in death over a year ago. —D'Hanis Star.

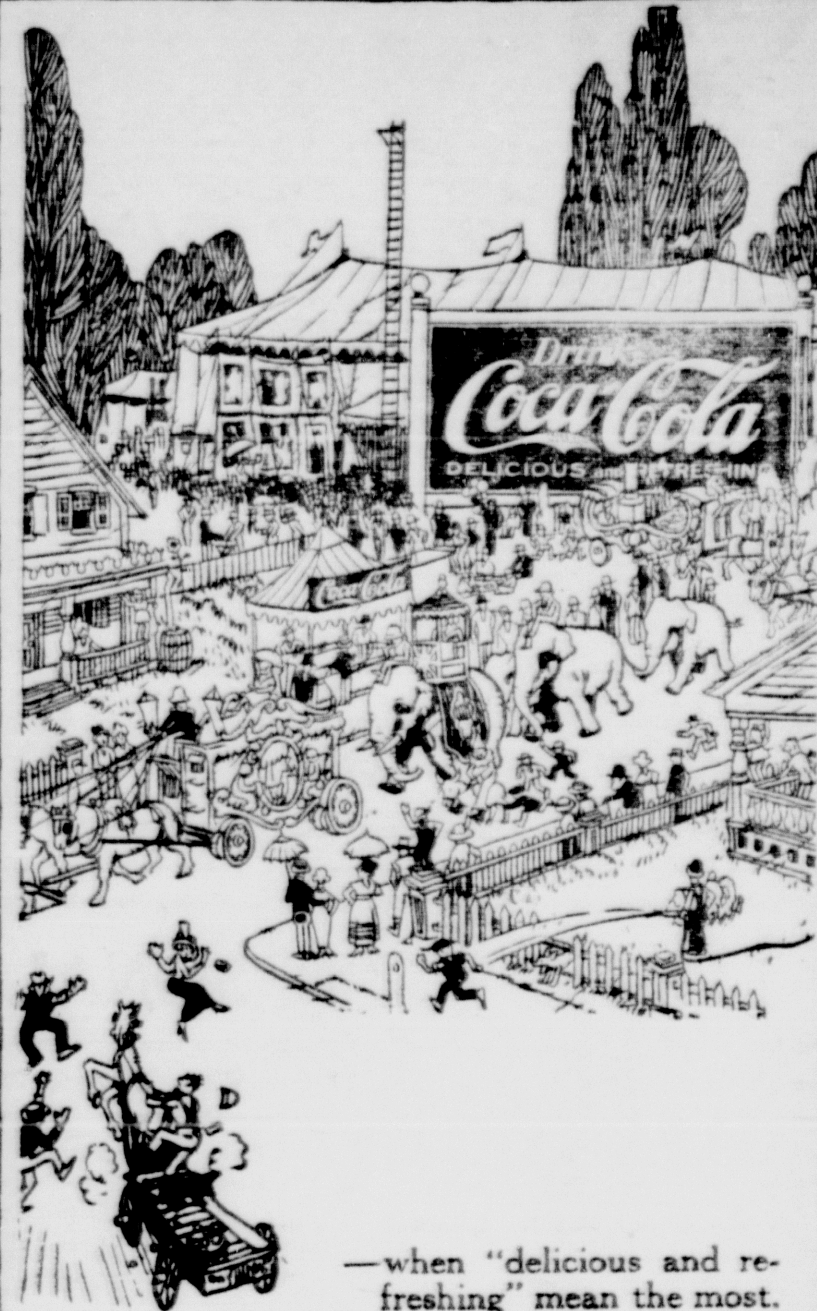

Is This Your Experience?

Many Hondo People Are Afflicted With Annoying Kidney Ills.

Are you bothered with too frequent action of the kidneys? Are the secretions highly colored—do they contain sediment—burn and scald in voiding? These are all signs of kidney sickness and should not be neglected. Hondo people recommend Doan's Kidney Pills. If your back aches and your kidneys are weak you will find no better recommended remedy. Ask your neighbor! Joseph Mechler, Hondo, says: "I can highly recommend Doan's Kidney Pills for I know they are good. I was taken with a severe backache and had sort of a dull pain in my kidneys day and night. When I would stoop over I could hardly raise up again. My kidneys didn't act right and I had to get up at nights on this account. A friend told me about Doan's kidney Pills so I used them and was helped from the first. Two boxes of Doan's made my back as strong as iron and made my kidneys act like clock work."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Mechler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Parent-Teachers' Association.
The regular business meeting of the Parent Teachers' Association was held at the school house June 14, with Mrs. Frank Scott Cockrell presiding. Several items were brought before the house for discussion, one of the more important being a decision in favor of having a special picture show under the auspices of the Association. After the business meeting, a social hour was enjoyed. Ice tea and sandwiches were served by the following hostesses: Mesdames Jno. Finger, Horace Bradley, W. H. Smith, Jno. Heyen and Henry Crow.

Tennis.

HONDO VS PEARSALL.

On last Thursday the 17th, Hondo and Pearsall tennis teams met on the local courts and staged one of the prettiest days of tennis ever witnessed in Hondo. The day was ideal and the courts were in perfect condition as well as the players from the two towns. Various matches were played during the day in which Trickey and Winston defeated C. Wilson and Mercer. Maney and Porter lost to Holloway and C. Wilson on a very close and well played match. Hudson and Porter won a very exciting match against Holloway and Fly. These players mentioned above all played good tennis and the matches were close and well played. However John Bob Wilson with his slashing volley and Dr. H. J. Meyer with his steady persistent playing won over Sanders and Ward, Pearsall's crack team of Southwest Texas who were virtually undefeated champions for a number of years in their class.

Wilson and Meyer won the first match 6-4, 12-10. Sanders and Ward won the second match 6-2, 0-6, 10-8.

And Wilson and Meyer won the third and deciding match 6-4, 3-4, 6-3.

These players were well matched and all played a great game. John Bob's great foot work and his powerful, well aimed volley proved the sensation of the day, while too much cannot be said for Dr. Meyer for he played like a clock with his racket on his true returns which barely skimmed the white rag and his head work as well as Wilson's was wonderful.

Ward was a wonder at the net and he played a general good game as well as Sanders. But Sanders' great eye together with his racket proved to be sensational at times. Too much praise cannot be given these men from Pearsall, for their fair and square playing cannot be excelled any where.

Gross section of five-inch fabric tire showing space to be filled by stretching inner tube 406 sq. in.

Gross section of cord tire same size showing space to be filled by over stretching same tube 719 sq. in.

Why Ordinary Tubes are Misfits in Cord Tires

THE ordinary inner tube was designed to fit a fabric tire. When it is used in a Cord tire it has to stretch 175% more in order to fill the larger air space. (See photograph) This extra stretching draws out or thins the wall of the inner tube so that it is even weaker than when used in a fabric tire. This is wrong.

A tube in a Cord tire should have stronger, not weaker, walls than one in a fabric tire.

There is greater friction between tube and casing in a Cord tire, due to the fact that the air pressure in Cords is habitually carried lower than in fabric tires—and the softer the tire the greater the internal friction, heat and wear on the tube.

Therefore, ordinary inner tubes in Cord tires are called upon to do much heavier duty than they were designed to do, and at the same time are badly weakened by overstretching while trying to do it. This is neither fair to the tube nor to the Cord casing. The Horse-Shoe Re-Cord Tube was developed a year ago to meet this condition. It is not overstretched in Cord

tires, because its walls are 50% heavier than those of ordinary tubes (nine ply instead of six). Furthermore, it survives the added friction because it is made of extraordinary rubber—rubber so free from adulteration that it floats on water—rubber so toughened by special treatment that you cannot tear or break a strip the thickness of a wedding ring.

We have named this the Horse-Shoe Re-Cord (for Cords) Tube to emphasize the fact that it was designed especially to stand the harder duty—the extra stretching and the friction in Cord tires. If you have long been a user of Cord tires, you will appreciate the necessity for such a tube as the Re-Cord. The small extra cost is negligible when compared with the extra service assured by this big brown tube.

Parent-Teachers' Association.

The regular business meeting of the
Parent Teachers' Association was held
at the school house June 14, with
Mrs. Frank Scott Cockrell presiding.
Several items were brought before the
house for discussion, one of the more
important being a decision in favor of
having a special picture show under
the auspices of the Association. After
the business meeting, a social hour
was enjoyed. Ice tea and sandwiches
were served by the following hostesses:
Mesdames Jno. Finger, Horace Brad

Why Ordinary Tubes are Misfits in Cord Tires

THE ordinary inner tube was designed to fit a fabric tire. When it is used in a Cord tire it has to stretch 175% more in order to fill the larger air space. (See photograph) This extra stretching draws out or thins the wall of the inner tube so that it is even weaker than when used in a fabric tire. This is wrong.

A tube in a Cord tire should have stronger, not weaker, walls than one in a fabric tire.

There is greater friction between tube and casing in a Cord tire, due to the fact that the air pressure in Cords is habitually carried lower than in fabric tires—and the softer the tire the greater the internal friction, heat and wear on the tube.

Therefore, ordinary inner tubes in Cord tires are called upon to do much heavier duty than they were designed to do, and at the same time are badly weakened by overstretching while trying to do it. This is neither fair to the tube nor to the Cord casing. The Horse-Shoe Re-Cord Tube was developed a year ago to meet this condition. It is not overstretched in Cord

tires, because its walls are 50% heavier than those of ordinary tubes (nine ply instead of six). Furthermore, it survives the added friction because it is made of extraordinary rubber—rubber so free from adulteration that it floats on water—rubber so toughened by special treatment that you cannot tear or break a strip the thickness of a wedding ring.

We have named this the Horse-Shoe Re-Cord (for Cords) Tube to emphasize the fact that it was designed especially to stand the harder duty—the extra stretching and the friction in Cord tires. If you have long been a user of Cord tires, you will appreciate the necessity for such a tube as the Re-Cord. The small extra cost is negligible when compared with the extra service assured by this big brown tube.

FOREMAN SAYS IT SAVED HIS LIFE
Mahoney Never Expected To Get Out Of Bed Again-- Now Back At Work.

"It was talked among my friends that I was going to die and I don't believe any one ever had a much closer call," said James Mahoney, well-known foreman of the Richard-Naustadt Construction Co., living at 22 East 15th St., Los Angeles, Cal.

"Closely following an injury to my back, my whole system seemed to give way," he continued. "There seemed to be a lump in my stomach and I could not eat a thing without intense pain afterward. My appetite left me completely and I got so weak I could not even lift my feet to go up the steps. I was in misery all the time and could not straighten up for the pain in my stomach. Then I became constipated and my kidneys began troubling me so I could not sleep sound at night. Before these troubles started I weighed a hundred and forty-five pounds but dropped off until I actually did not weigh but sixty-five, and if there was ever a living skeleton I was. I could hear my friends who came to see me say: 'Poor Jim! He can't last much longer,' and I had no hope of ever getting up. Finally I was told that nothing more could be done except to operate and I was too weak to stand that."

"A friend urged me to try Tanlac and agreed to slip me a bottle as my wife objected to anything but prescribed medicines. Well, to make a long story short, I soon improved so much that I quit taking everything but Tanlac and now I am back at work feeling as strong and fit as I ever did in my life. I weigh one hundred and thirty pounds and I haven't an ailment of any kind. My wife now thinks as I do That Tanlac is the greatest medicine in the world."

Be the Sixth Man.

The Savage lives. He eats the same food his great-grand-father did and worries not at all over tomorrow, just like his ancestor. That's the reason he's a savage. He didn't look ahead. He lived in the present.

Do you live within your income? So does the savage. Do you save some of it? If you do--you are out of the savage class.

If you wait until you get a thousand dollars together before you begin to save--you won't begin. If the quarters burn a hole in your pockets--the dollars will slip through that hole.

Five men out of every six are destitute when they have reached their sixty-fifth milestone. The five are those who didn't save. BE THE SIXTH MAN.

Put your quarters in Tariff Stamps. Invest what you can in War Savings Stamps. They mean first payment on a home, education for your children, insurance against adversity, and OPPORTUNITY FUND.

Have you bought your Thrift Stamp today?

War Savings Stamps bear 4 per cent interest, compounded quarterly. They are redeemable at the postoffice on ten days' written notice.

Cases of oak or ivy poisoning should be treated with Ballard's Snow Lintment. It is antiseptic and healing and a splendid remedy for such troubles. Three sizes, 30c, 60c and \$1.20 per bottle. Sold by W. H. Windrow.

"How We Cleared Our Summer Home of Rats," by Mrs. Perry.

"When we opened our seaside home last May, it was alive with rats. They'd gnawed all the upholstery. We cleaned them out in a week with RAT-SNAP. I prefer this rat killer because it comes in cake form, no mixing. Saves dirtying hands and plates." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by W. H. Windrow and Holloway Bros.

Moore Building. SAN ANTONIO, TEXAS

John C. Ney.

The entire section was deeply shocked and grieved Tuesday as the news spread that John Ney had died at his home at 10:30 a. m.

John happened to an accident with his horse while riding out in the pasture on Thursday, May 27th, and was found unconscious. All the loving care, the best of nursing and medical attention could not save the physically strong young boy from an untimely demise.

The funeral took place Wednesday at 10 o'clock a. m., his body being placed in the Catholic cemetery, besides his father, Mr. Joseph Ney, who died in 1915. The services were conducted by Rev. I. Maas. Pallbearers were his school mates: Richard Wernette, Wallace Lutz, Willie Lutz, Maurice Finger, Herman Vogel and Willie Nehr. A large concourse of relatives and friends followed the mortal remains to their last resting place.

John was the oldest son of Mr. and Mrs. Joseph Ney, was born in D'Hanis on January 27, 1905, and died June 8, 1920. Besides his mother, deceased leaves two sisters, Agnes and Marcella, and two brothers, Herman and Martin, and numerous near and dear relatives and friends to mourn his death.

The grief stricken relatives have the heartfelt sympathy of everybody in this section. — D'Hanis Star.

San Antonio Metropolis of Texas.

San Antonio's position of leadership in Texas with a population of 161,308 by the 1920 census, was fittingly celebrated Monday night by a parade and jubilee in which the entire city was invited to take part. An illuminated, revolving sign placed on top of the Central Trust building displays the triumphant message: "San Antonio, The Metropolis—161,308." A big procession started at 8 p. m., when all the whistles of the factories were turned loose and artillery guns boomed a deafening salvo. — S. A. Light.

SHERIFF'S SALE

THE STATE OF TEXAS
COUNTY OF MEDINA

Notice is Hereby Given That by virtue of a certain Execution and Order of Sale issued out of the Honorable District Court of the 73rd Judicial District of Bexar County, of the 14th day of May A. D. 1920, by the Clerk of said Court for the sum of Three Hundred Seventy six and 24/100 (376 24/100) Dollars and costs of suit, under a judgment and foreclosure of lien, in favor of The Medina Townsite Company in a certain cause in said Court, No. B-16, 727 and styled The Medina Townsite Company vs. W. C. Mathews, placed in my hands for service, I, J. F. Bader as Sheriff of Medina County, Texas, did on the 27th day of May A. D. 1920, levy on certain Real Estate, situated in Medina County, Texas, described as follows, to-wit: In the Town of Natalia, known as Lot No. Sixteen (16) in Block No. Twenty-seven (27) as shown on a plat and subdivision of Parts of Original Surveys No. 354, Jno. Hardin; No. 509, J. Varenne; No. 27, M. W. Dikes; No. 63, G. M. Crawford; No. 64, Wm. Crawford, said plat and subdivision being known as "Natalia," and duly recorded in the Deed Records of Medina County, Texas, in Vol. A. 48 pages 23, and levied upon as the property of W. C. Mathews and that on the first Tuesday in July A. D. 1920, the same being the 6th day of said month, at the Court House door, of Medina County, in the Town of Hondo, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Execution and Order of Sale I did sell said above described Real Estate at public venue, for cash, to the highest bidder, as the property of said W. C. Mathews and as the lien existed on the 30th day of April 1913. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Hondo Anvil Herald, a newspaper published in Medina County. Witness my hand, this 7th day of June A. D. 1920.

J. F. BADER,
Sheriff Medina County, Texas.

Servant Girl Wouldn't Go in Cellar, Fearing Rats.

Mrs. Tepper, Plainfield, N. J., says, "Rats were so bad in our cellar the servant girl wouldn't go there. Bought some RAT-SNAP and it cleaned all the rats out." RAT-SNAP destroys rats and mice. Absolutely prevents odors. Comes in cake form, no mixing. Cats or dogs won't touch it. Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by W. H. Windrow and Holloway Bros.

In our store, you can hear the phonograph that substituted for Anna Case—

and astonished all New York in the audacious "Dark-Scene" Test.

and then the
LIGHTS
went
OUT

Read below what the New York newspapers said of the test. Remember—the marvelous instrument used in New York City was an exact duplicate of the original Official Laboratory Model, which cost Mr. Edison three million dollars in research work. We, too, have an exact duplicate of the famous three million dollar original. We guarantee that it is capable of sustaining all the astonishing tests made on March 10th, at Carnegie Hall, New York City.

Come in and hear this guaranteed Official Laboratory Model. Experience its marvelous realism for yourself. We give Mr. Edison's unique Realism Test.

The NEW EDISON

"A portion of the demonstration was even carried on without the lights, so that no one could see whether Miss Case's lips moved or not. It was all genuinely instructive, and the twinship between Miss Case's singing, and the reproduction thereof, proved so close as to be often indistinguishable." — *New York Globe*.

"When you see and hear Miss Case sing, you can scarcely believe that an art so essentially individual and personal as hers could ever be reproduced mechanically, yet the New Edison has succeeded to the point where the voice in the fluffy pink draperies and the voice in the mahogany box seemed one and the same." — *New York Evening Mail*.

"When the lights were lowered, it was impossible to tell when it was Anna Case, and when it was only her voice that was singing." — *New York Evening Sun*.

The "dark scene" test was positively sensational in its proof of the realism of the New Edison.

Anna Case, the world-famed soprano, stood beside a dignified Chippendale cabinet. She started to sing. Her voice enthralled the audience with its colorful brilliance.

Suddenly the lights went out. Densest black swallowed stage, phonograph and singer.

When you come in, ask about our Budget Plan. It makes the dollar go farther—the New Edison come easier.

"The Phonograph with a Soul"

But Miss Case's voice went smoothly on. It rose to the very heights of its superb artistry.

Then, the lights flashed on! The audience gasped with astonishment. Case was gone! Her voice had been coming from the New Edison.

Under cover of the darkness, Miss Case had stolen from the platform, leaving the New Edison to continue her song alone. The audience never knew she had gone, till the lights went up.

The exact duplicate of this instrument is here in our store,—waiting to prove its perfect realism to you.

When you come in, ask about our Budget Plan. It makes the dollar go farther—the New Edison come easier.
